Dear Brothers Larry, Ray, Gary and Quiel Brothers Signs,

I would like to take this time to let you, and your fine organization, know how grateful our lodge is for your donation of the parking lot signs to B.P.O.E. # 836. The quality of materials and workmanship your company utilizes truly depicts your professionalism and attention to detail.

It is dedicated Elks, such as yourselves, that insure the continued success of our fraternal organization. Your company and its' officers have given to this lodge in numerous ways in the past, and this latest donation continues the support our lodge needs to make Elkdom great.

Again, Thank you so very much for your support of Elkdom and your lodge # 836.

Fraternally,

Bill Batt
