

February 25, 2008

Larry Quiel, President
Quiel Bros Electric Sign Company
272 South "I" Street
San Bernardino, CA 92410

Dear Larry:

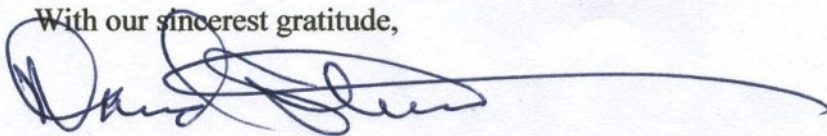

On behalf of everyone involved with Rebuilding Mountain Hearts & Lives - *Rim Resource Network*; we would like to express our wholehearted appreciation for the support that you and Quiel Bros have extended to us. As a token of our appreciation we would like to present the enclosed plaque which recognizes your support of the Rim Mountain Communities.

Thanks to your gift, we have been able to place the sign you produced on the building that houses our office in Running Springs. The enclosed picture of our "Open House" – November, 2007 depicts the area where we once had an empty frame; now displays the sign you manufactured.

We would also like to thank you for your involvement in procuring the \$500 donation from the Sliver Dollar Club. These funds will be used 100% for fire victims.

We are blessed to live here in the mountains, as we have so many who come forward to assist those that are in need. We appreciate your going "above and beyond".

With our sincerest gratitude,

David Stuart,
Executive Director
